

Tadros Karam

Computer Engineer

About me

I'm Tadros, 23 Years Old
Computer Engineering
Undergraduate with passion
towards everything related to a
0 or 1

Areas of specialization

Front-End • [Soon] Back-end

Interests

Current Focus:
Web Development – Actively
refining skills and working on
projects.

Future Interests::
CyberSecurity
MachineLearning
DigitalCircuits

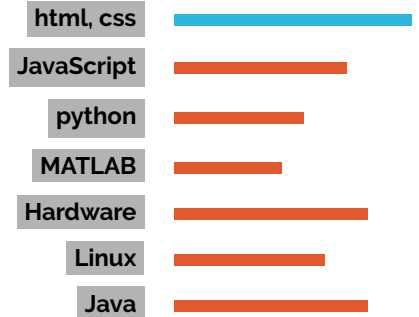

DEGREES

In Progress **Computer And Systems Engineer**

EXPECTED GRADUATION
2028-2029 

PROGRAMMING AND SKILLS

CERTIFICATES & GRANTS

| | |
|-----------------|-----------------------|
| HTML / CSS | FreeCodeCamp |
| MATLAB | Vanderbilt University |
| MachineLearning | DeepLearningAI |

LANGUAGES

| Language | Proficiency Level |
|----------|-------------------|
| Arabic | C2 |
| English | C1 |
| Spanish | A1 |
| Italian | A1 |

COURSES

| Platform | Course |
|----------------|-----------------------------------|
| Udemy | C++ – Dr. Frank Mitropoulos |
| | JavaScript – Jonas Schmedtmann |
| | Python – Dr. Angela Yu |
